### Wim Wenders: Places, Strange and Quiet, 12 postcards

This slipcased postcard volume consists of 12 color postcards of images from Wim Wenders' book of photographs, *Places, Strange and Quiet*, published by Hatje Cantz in 2011. That book brought together a fascinating series of Wenders' large-scale photographs taken between 1983 and 2011: iconic images of the exteriors of buildings and panoramic depictions of towns and landscapes. Wenders (born 1945) is a German author, film director, photographer, playwright and producer, and one of the most successful contemporary filmmakers around. "When you travel a lot," he says, "and when you love to just wander around and get lost, you can end up in the strangest spots it must be some sort of built-in radar that often directs me to places that are strangely quiet, or quietly strange." This postcard book presents a small selection from across the range of Wenders' photographic oeuvre.
