Megan Barrows has retired from a brief career as a ghostbusting psychic and now uses her sixth sense to fill her Seattle antiques store with objects with happy pasts. After once nearly having the soul sucked out of her by a malevolent spirit, she prefers a quiet life.

Case Lambert is a real estate prospector who restores old houses, then sells them for profit. He has just bought a dilapidated mansion so amazing that he wants to keep it for himself, but the house appears to be haunted. *Seriously* haunted. A few inquiries lead him to Megan Barrows.

Megan at first refuses to help, but Case is a master of persuasion. Moving into the mansion, they discover that one of the ghosts has a thing for Case -- and there may be even more amorous spirits inside this veritable paranormal vortex. But it soon becomes clear that no one -- dead or alive -- can stop Megan and Case from ending up in each other's arms. . . .
