**He took my chin and pressed his lips to mine. Bliss overwhelmed me. This was utterly divine.**

Tucker's an Omega wolf recovering from a traumatic past. He ran away to Lake City to pursue his passion for journalism. While he knows it's also time to find his Alpha, he's distrustful and wary of emotional intimacy. That changes when he meets Clay.

After a broken engagement with an ex-fiancé who stalked and threatened him, Clay buried himself in his work, founding a successful tech company. Now he's ready to move on and find his fated mate. But it turns out his ex isn't quite ready to let him go.

When demons from the past threaten to disrupt the pair's growing relationship, Tucker and Clay find that they'll have to fight for their love.

Find out if they'll succeed in this standalone novella with a HEA. No cheating, no cliffhangers. Inside, you'll find a protective Alpha and plenty of sugar and spice.

*We're going to start off fresh and build something together. We can do this, Tucker. You and me.*
