Free to Be Wise: A Guide to Biblical Decision Making Dr. Kirk Youngblood

In Ephesians 5:15-17 the apostle Paul wrote, “Therefore be careful how you walk, not as unwise men, but as wise, making the most of your time, because the days are evil. So then do not be foolish, but understand what the will of the Lord is.” This inspired admonition is unequivocal as to how we as Christians are to walk (live) in this world. We are to walk in wisdom and we are to take advantage of every opportunity to accomplish God’s will. We are to “understand what the will of the Lord is.” But how do we go about that? Is the will of the Lord something that God will reveal to us through some sign or circumstance? Is it something that He will speak to us audibly or make known to us through some sort of inner impression? Far too many have been paralyzed with indecision because they are looking for some kind of inside track of new revelation from God, but veteran pastor Kirk Youngblood (D.Min.) explains how you can be Free to Be Wise according to the teaching of Scripture. This book will help you avoid the common pitfalls of a mystical approach to decision making and God’s will. It will liberate you to follow the wisdom God has already revealed to us in His Word.
