The day after Louise says good-bye to her grandfather as he leaves for the Emperors side is the day she becomes Ends new Voice. Their house, unlike others, is made of wood. They have a heating system and plenty of electronic items, but they do not have a completely modern cube house like several others. There are still plenty like theirs though. And they love the ones who have cube houses, there in End. But the ones in Whit can be fairly stuck up about it. Those in Cern even more so. With the help of an old friend she tries to gain the Emperors trust, and help make their land a much healthier place to live. He is kind and wants to know how everyone thinks, not just the Voice. The Voice speaks for everyone, but not everyone can be heard. There's a murderer on the loose killing Voices, and since she has taken her grandfather's place she is now in line of fire.
