Recent Changes in Employee Benefits and Executive Compensation provides an authoritative, insider's perspective on best practices for representing and advising clients impacted by recent legal changes in employee benefits and executive compensation. Featuring partners from some of the nation's leading law firms, these experts guide the reader through recent trends in this area of law and offer tips on navigating key compliance issues facing clients today. These top lawyers discuss the impact of financial and health care reform legislation, analyze recent developments in ERISA litigation, and reveal their advice on assessing and updating client strategies. Additionally, these authors offer key strategies for reviewing employer-employee contracts, preparing clients for changes in the law, and avoiding common mistakes. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating an increasingly-enforced and rapidly-changing area of law.

Inside the Minds provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community.
