Tell A Thousand Lies: A Novel Set In India Rasana Atreya

UK's Glam magazine calls 'Tell A Thousand Lies' one of their 'five favourite tales from India.'

Shortlisted for the 2012 Tibor Jones South Asia prize

A corrupt politician plays with the lives of a teen Goddess and her loved ones in this fast-paced novel - part thriller, part Bollywood romance - set in India.

In a land where skin colour can determine one's destiny, fraternal twins PULLAMMA and LATA are about to embark on a journey that will tear their lives apart.

Dark skinned Pullamma dreams of being a wife. With three girls in her family, the sixteen year old is aware there isn't enough dowry to secure suitable husbands for them all. But a girl can hope. She's well versed in cooking, pickle making, cow washing -- you name it. She's also obliged her old-fashioned grandmother by not doing well in school.

Fair skinned and pretty, her twin sister Lata would rather study medicine than get married. Unable to grasp the depth of Lata's desire, the twins' Grandmother formalizes a wedding alliance for the girl. Distraught, Lata rebels, with devastating consequences.

As Pullamma helps ready the house for her older sister Malli's bride viewing, she prays for a positive outcome to the event. What happens next is so inconceivable that it will shape Pullamma's future in ways she couldn't have foreseen.

A mainstream, multi-ethnic, world literature book from India, TELL A THOUSAND LIES is a sometimes wry, sometimes sad, but ultimately realistic look at how superstition and the colour of a girl's skin rules India's hinterlands.

If you like Khaled Hosseini (The Kite Runner) or Vikram Seth (A Suitable Boy), you might like this book.

Please note: British/Indian spellings used (jewellery, paediatrician, foetus etc.) These are not typos.
