“A Good Maid Is Sexy, Obedient, Happy, and Eager.”

In these hot tales of erotic service, the perfect sexual servant is just a few pills away. The maids in these stories are always happy to do whatever filthy, nasty act their Owners ask of them, no matter how taboo or erotic! They clean, they cook, and they smile—that’s all to be expected. But they also happily engage in sexual service, beg to provide new heirs for their Owners, and plead to give them the creamy product of their overflowing cups!

These three sexy tales feature plenty of erotic scenes between MULTIPLE sexual partners, and feature lots of women transforming into the beautiful babes they were born to be!
