For years, Falisa Walker stood in the shadows of her husband Timbo as he ruled over their drug empire. They lived lavishly as King and Queen while calling shots from New York to Augusta, Georgia. Their Columbian connect in Miami, ensured their place at the top of the game.

They lived the dream, until the feds raided their mansion and snatched Falisa and her husband, leaving their twelve-year-old son to hold down the Throne. He did everything his father asked; even placing his own life in jeopardy to prove that he was capable of walking in the shoes that were left for him.

One simple mistake turned their entire family upside down, and their son was left to swim the waters with the Great Whites. Loyalties are tested, and bonds are strained as young Fly learns that the road to the throne is no cakewalk.
