Far out, in the middle of nowhere, her wildest fantasy is about to come true...

The beautiful black Latoya's **handsome white** boyfriend, Tanner has recently decided to complete a number of tasks on an old bucket list he made as a child. On the top of that list--Find and photograph a Spirit Bear, in the Great Canadian Wilderness. While the **ambitious white boy's** childhood fantasy may be silly, Latoya, being the good girlfriend she is, tags along on the excursion.

But there is something else out in those woods.

While alone, just a few yards from their camp, Latoya spots something unexpected--a **white, muscular wild man**, who disappears before Latoya's camping party catches up. Now, as the camping excursion progresses, **the black beauty** finds herself fantasizing about the **mysterious white hunter**.

This hot book is sure to get you warm in all of the right places. Be warned, there are explicit descriptions in this book that are not intended for readers under the age of eighteen.
