**Don't Read After Dark: Keep the lights on while reading these! (A McCray Horror Collection)** Carolyn McCray, Ben Hopkin

From the #1 bestselling author in Horror, Men's Adventure, War, and Techno-thrillers, Carolyn McCray, comes a horror collection to keep you up all night long if you dare!

**\*\*Warning, this collection is not for the squeamish or faint of heart. There is graphic violence, rough language, and blood to spare. Please do not buy this book if you are easily offended or terrified! However if you enjoy Saw/Hostel-style horror and a good slasher flick, read on!**

Praise for Carolyn's Horror Stories...

"Oh, unless you have a strong stomach, you probably will not want to eat anything while reading this book. It is very, very graphic and will most likely give me nightmares. Supper is about a group of college kids who go out on a fact-finding vacation during spring break. They find more than they're looking for when they run out of gas on a dark deserted, creepy part of nowhere. Deliverance and The Texas Chainsaw Massacre comes to mind. But things aren't always what they seem. Get's ya in the mood for a ghoulish Halloween. Baaahaaaahaaaha!"

"I am an avid reader always looking for something original and fresh. Well, Carolyn Mccray is it!! By accident I came across this author, she may have been recommended to me by Amazon itself. This summer she was my go to author could not get enough of her books, or short stories!!! With this short story you have the Texas Chain Massacre family meets the 2012 Cannibalistic Tullocks Farm. It's faced paced, gory, and at times a funny, especially when the "tables" are turned. That's when it becomes twisted!!! This is all I will say. Some of the reviews I've been reading lately are telling me the whole entire story. What's the point??? Could not put it down. This short story actually leaves a possible opening end for a sequel. If you like this then next step is to buy her novel "Plain Jane" You will love it!!!!"

Overview: This collection includes...

Fresh Meat: Serial Killer Death Match, need we say more?

Widowmaker: A thriller for horror fans

All Hallow's Eve: The one night it is BAD to be good!

Club Death: Come for the dancing. Stay because, well, a madman has you trapped inside

Rook: Let's stop the Apocolypse, people! Supernatural humorous horror

Supper: The Texas Chainsaw Massacre style short story

More praise for McCray's horror...

"Scary and smart, All Hallow's Eve is perfect for anyone who wants to read a horror story that hits them in the gut. From the intricate psychopathology of the serial killer, to the hair-raising tension, to the skewering of pop culture, All Hallow's Eve is simply a great read."

"This was surprisingly creepy. Usually by about half way through a book like this you know who the killer is. I really didn't connect the dots on this one... Just what a demented serial killer needs to round up a group of teens for the slaughter. The author did not pull any punches in the way the victims died... But what I liked best was that the killer was completely unrepentant, there was no oh gee moment at the end where the killer realizes he was doing something wrong and is sorry. If it is a horror book, horrify me. This one did."
