## **Vocational Rehabilitation and Mental Health** Chris Lloyd

*Vocational Rehabilitation and Mental Health* is a practical guide for all members of the healthcare team to implementing effective services leading to sustained career development among people with mental illness. It examines the barriers to employment such as stigma, discrimination and fluctuating health and discusses the evidence underpinning the provision of effective employment services. The book goes on to examine some of the challenges with implementing evidence-based practice and discusses ways to overcome these challenges.
