### **G-2 (The Guardian of Earth Series) Rigel Carson**

The Maleem are coming.

Brand new Guardian of Earth Dr. Zeke Landry is just learning the ropes when his extraterrestrial warning system sounds. Merciless invaders are on their way to 2065 Earth. With no tangible proof, Zeke is powerless to warn anyone until the space ships arrive. First Contact has finally happened, and the aliens are tall and green.

The Maleem say they come in peace and want to explore trade opportunities. World leaders salivate at the chance for interstellar markets. As the Maleem tour the planet, countries welcome them with open arms and try to curry favor.

Meanwhile, pop star Queen Bea and her sister are stranded in Japan, diverting Zeke and his android's attention. Bea sings her pop hit "Little Green Men," during a friend's concert, and the Maleem show up for the performance. Afterward, the Maleem hand out jeweled necklaces to key leaders, enslaving them and beginning a reign of terror and annihilation.

When Zeke is enslaved by the Maleem, all looks bleak for humanity. Outgunned, outmaneuvered, and outfoxed, citizens of Earth are doomed, unless someone helps them. Can Zeke rally and save the world a second time?
