LIMITED TIME ONLY @ 2.99!

If you love books, this is for you! This short concise booklet/article is a no nonsense, no fluff or filler guide to finding valuable used and rare books that are not antiques. Most book lookers will pass these books up, unless they know what to look for. I have searched shelves of books right behind book collectors and have gleaned high dollar books right from under their noses. Knowledge is king!

These are new and different out of print books that are worth a fortune. One book listed in this guide is worth over \$87,000! Finding a couple of these kind of books per year could be very lucrative! Find the highest value books. Be among the insiders that know about these books before the general public finds out. Some of these books are worth thousands of dollars. You can make a living buying and selling just a few books. We will give you complete descriptions and prices of the books, and pictures whenever possible. We will even recommend where to sell your finds.

Used and rare books could be your way to become financially independent.
