She can finally have the one thing she wants. All she has to do is play the happy wife...and not fall in love with her husband.

It's been three years since Annie Baracas left her husband, Vegas casino owner Nathan Reed, and he still hasn't signed the divorce papers. So when Nate finally offers to set her free, Annie will agree to any terms. Even if that means temporarily resuming her role as his wife to help him catch a thief. But what starts as a public display quickly turns very private. And Annie can't help wondering what it might be like to stay in Nate's bed...for as long as they both shall live.
