**Lottie: Bride of Delaware (American Mail-Order Brides Series Book 1)** Kit Morgan

Lottie, Bride of Delaware, is the first book in the unprecedented 50-book American Mail-Order Brides series!

Lottie Mitchell had a problem, a really BIG problem, and the only one who cared was, well, her. Oh sure, her roommate Beth gave stock to her theories of who was responsible for a tragedy that put herself and dozens of her co-workers out of a job. And yes, someone came up with the idea that in order to survive, they could all become mail-order brides, but still... Lottie wanted to know the truth. Did her sister Leora believe her? To a point, but not enough to keep from telling her that if she didn't drop her silly notions, she'd miss her own wedding! Her other roommates, Alice and Judith groaned at any mention of helping her snoop around like a Pinkerton, and then there was her groom ...

Sam Cooke gave up the notion of finding anyone from Clear Creek to marry. What available women there were, were either too young or too old, and heaven help him if his mother, Belle Cooke, got his matchmaking Aunt Sadie to help find him a bride. No, some things a man had to do on his own. But when he travels east on business to fetch his mail-order bride, little did he know what sort of hi-jinx awaited him on the journey home with her!
