Lionel and Patricia Fanthorpe

Death: The Final Mystery (Mysteries and Secrets) Lionel and Patricia Fanthorpe

The greatest human problem is that we are all born in the condemned cell. Money and medical science can extend the human lifespan significantly ? perhaps up to one thousand years via cloning and cryogenics ? but in the end, when the last medical miracle has been exhausted, Death still waits patiently for us.

In Death: The Final Mystery, Lionel and Patricia Fanthorpe take their investigative skills to those last moments of life and beyond, exploring such puzzling topics as near-death and out-of-body experiences, reincarnation theories, hypno-regression, and automatic writing and other phenomena of the séance room. Evidence is drawn from trance mediums, the writings of mystics, and clear, hard facts reported by reliable eyewitnesses.
