The Stations of the Cross, as with many forms of devotional within the Catholic Church, has developed over the centuries. The practice of walking the Via Dolorosa began with pilgrims to the Holy Land in Jerusalem during the Crusades and was brought back to the local parish churches by those pilgrims and crusaders. St. Alphonsus Liguori authored a standard form in the 1700's that continues to be used in parishes today.

In this booklet, I have tried to preserve some of those traditional aspects, while also adding verses of scripture and meditations to aid in our reconciliation with our loving Father.

This can be used as an individual or guided group devotional and is meant not just for the Lenten season but can be used anytime during the Church year.
