## **Cult of iPod** Leander Kahney

*Wired* news editor Leander Kahney follows up his bestselling *The Cult of Mac* with *The Cult of iPod*, a comprehensive look at how Apple's hit iPod is changing music, culture, and listening behavior. *The Cult of iPod* includes the exclusive back story of the iPod's development; looks at the many ways iPod's users pay homage to their devices; and investigates the quirkiest aspects of iPod culture, such as iPod-jacking (strangers plugging into each other's iPods to discover new music), as well as the growing legions of MP3Js (regular folks who use their iPods to become DJs). Four-color throughout.

### From reader reviews:

#### Jack Evans:

Why don't make it to become your habit? Right now, try to ready your time to do the important action, like looking for your favorite e-book and reading a guide. Beside you can solve your short lived problem; you can add your knowledge by the e-book entitled Cult of iPod. Try to face the book Cult of iPod as your buddy. It means that it can to become your friend when you experience alone and beside regarding course make you smarter than before. Yeah, it is very fortunated to suit your needs. The book makes you a lot more confidence because you can know almost everything by the book. So , let me make new experience along with knowledge with this book.

#### Phillip Patten:

What do you about book? It is not important together with you? Or just adding material when you require something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question simply because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this kind of Cult of iPod to read.

#### Hilda Dolan:

Nowadays reading books become more and more than want or need but also be a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with training books but if you want sense happy read one having theme for entertaining such as comic or novel. Often the Cult of iPod is kind of book which is giving the reader capricious experience.

#### Debra Capone:

Beside this kind of Cult of iPod in your phone, it could give you a way to get closer to the new knowledge or info. The information and the knowledge you can got here is fresh through the oven so don't be worry if you feel like an older people live in narrow village. It is good thing to have Cult of iPod because this book offers to your account readable information. Do you at times have book but you don't get what it's exactly about. Oh come on, that wil happen if you have this inside your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss the item? Find this book and read it from at this point!
