Bound to the Alpha Billionaire: The Spy's Desires - Can be read as a Standalone book

While British billionaire Simon Denning uses his playboy lifestyle as a front for his covert intelligence work, he depends on his secretary, Anna Kerr, to help him maintain his façade. Anna knows how dedicated Simon is, and while she's been in love with him for years, she knows the only place she has in his life is as his loyal assistant.

Wounded while protecting the Prime Minister from an assassination attempt, Simon Denning is determined to take down Umbra, the infamous cartel hitman responsible for the attack. After discovering Umbra belongs to a private BDSM club, Simon arranges to get inside, but must ask Anna to pose as his submissive lover. To avoid tipping off Umbra Simon must also dominate Anna at the club, and in the process discovers they have explosive chemistry. Later Simon can't resist seducing Anna, but refuses to place her in danger again.

After they have sex Anna can't bear to go on working for Simon, but then receives a warning that Umbra is planning an ambush for him at the club. As Anna races to thwart the attack she knows she can't go on lying to Simon. Together they work to defeat the killer, but can they still walk away from each other after Anna reveals the one thing Simon has never known about her?
