The Man Who Loved Women Dorothy Valcarcel

The *Man Who Loved Women* is a collection of love stories that transcend all time, space, and genre. Its hero - a Man who chose to accept, encourage, and empower every woman He met. Its heroines - eighteen women who loved the one Man who could fulfill their every need, among them:

- Mary, The Flawed Woman trying to raise the perfect child in an imperfect world.
- Anna, The Empty Woman who longed for the children she was physically unable to have
- Martha, The Stressed Woman whose attention to busywork only distracted her from life's most meaningful moments

Do these women sound familiar? You may recognize their names from the New Testament, but there is no doubt you recognize their needs - needs representative of the universal longing for love all women share.

Fortunately, the one Man who fulfilled the needs of women in biblical times is the same Man who can fulfill our needs today.

In *The Man Who Loved Women*, each biblical love story includes a reflection of today - contemporary love stories that mirror the needs of women throughout history, and discussion questions for reflecting on your own relationship with the only Man who can fulfill your every need.

"A Time for Reflection" study guides at the end of each chapter are divided into three sections you may complete and use individually or with a Bible study or women's group.

- "Exploration" asks for your personal experiences, thoughts and feelings on the need illustrated by each New Testament woman's story, such as the need to be perfect ... the need for understanding ... and the need to belong.
- "Inspiration" offers a 21st century illustration of each need as expressed in the New Testament woman's story. Inspirational quotes and questions asking you to reflect on how each woman's life has inspired your own are included.
- "Affirmation" gives you selected texts and quotes to inspire you throughout your day, incorporating the essence of each woman's story into your life and continually affirming your own spiritual growth.

So please come meet *The Man Who Loved Women* -- the Man who loves you.
