In this sci-fi thriller with a spiritual bent, Jack Thomas is looking for answers. When he was young, his father took him on a trip to the mountains and he had a traumatic experience when he fell and lost consciousness. He can only remember the face of a strange creature and feels like more time passed than anyone knows. As an adult, he has been returning to the place in the mountains where he fell just looking for clues to what really happened. Jack will find more than he bargained for when he meets a stranger in the woods who leads him to a place with amazing creatures and futuristic technology.
