The Hot Shoe Diaries: Big Light from Small Flashes (Voices That Matter)

Joe McNally

The Hot Shoe Diaries: Big Light from Small Flashes (Voices That Matter) Joe McNally
When it comes to photography, it's all about the light.

After spending more than thirty years behind the lens—working for *National Geographic*, *Time*, *Life*, and *Sports Illustrated*—Joe McNally knows about light. He knows how to talk about it, shape it, color it, control it, and direct it. Most importantly, he knows how to create it...using small hot shoe flashes.

In *The Hot Shoe Diaries*, Joe brings you behind the scenes to candidly share his lighting solutions for a ton of great images. Using Nikon Speedlights, Joe lets you in on his uncensored thought process—often funny, sometimes serious, always fascinating—to demonstrate how he makes his pictures with these small flashes. Whether he's photographing a gymnast on the Great Wall, an alligator in a swamp, or a fire truck careening through Times Square, Joe uses these flashes to create great light that makes his pictures sing.
