# Development and Politics from Below: Exploring Religious Spaces in the African State (Non-Governmental Public Action)

## Development and Politics from Below: Exploring Religious Spaces in the African State (Non-Governmental Public Action)

Religion is playing an increasingly central role in African political and developmental life. This book offers an empirical and theoretical reflection on the relationships between religion, politics and development in Africa; the meanings of religion in non-Western contexts and the way that is embedded in the everyday life of people in Africa.
