The Gender Management System Toolkit: An Integrated Resource for Implementing the Gender Management System Series Linda Etchart

The Gender Management System (GMS) is a holistic approach to gender mainstreaming. The Commonwealth Secretariat has produced a series of reference manuals to assist governments and others in mainstreaming gender, using the GMS. This Toolkit will enable people to put these manuals into practice by providing a range of tools to make them more accessible. The Toolkit contains:

Action Guide; Change Management Briefing

Training Kit; CD-ROM of GMS manuals.

It will be useful to people with responsibility for action on gender in government stakeholder organizations.
