The Oxford Book of War Poetry: Second Reissue (Oxford Books of Prose & Verse)

The Oxford Book of War Poetry: Second Reissue (Oxford Books of Prose & Verse)

There can be no area of human experience that has generated a wider range of powerful feelings than war. The 250 poems in John Stallworthy's classic and celebrated anthology span centuries of human experience of war, from David's *Lament for Saul and Jonathan*, and Homer's *Iliad*, to the finest poems of the First and Second World Wars, and beyond. Reflecting the feelings of poets as diverse as Byron, Hardy, Owen, Sassoon, and Heaney, they chart a great shift in human awareness--from man's early celebratory "war-songs" to the twentieth century's darker poetic responses to "man's inhumanity to man."
