LEOMA and the US Laser Industry: The Good and Bad Moves for Trade Associations in Emerging High-Tech Industries C. Breck Hitz

This book describes the approaches, both successful and not, to the political and infrastructure issues addressed by the trade association. The intent is to provide guidance to those confronting similar issues, and help them avoid unsuccessful approaches. Includes end-of-chapter summaries Example of documents and approaches that LEOMA used successfully are included and could serve as a guide to other trade associations. Chapter 5 includes figures presenting the unique and effective graphical approach that LEOMA use to improve US national-security export controls
