Lizzie can't understand her deep attraction to mysterious transfer student Drew. Are they connected by their past lives? This enthralling tale of love and fate has over 100 five-star reviews on Amazon!

Lizzie Davenport has been reincarnated from 1815, England ... but she doesn't realize it until she meets her soul mate from the past and he triggers her memories to gradually return.

When Drew Carmichael transfers into Lizzie's high school, she feels a connection to him, like she knows him. But he wants nothing to do with her. Reaching Drew is more difficult because she has a boyfriend, Jeremy, who has become full of himself after being elected co-captain of the varsity soccer team, and her flirtatious best friend Chelsea starts dating Drew soon after his arrival. So why can't she get him out of her mind?

Lizzie knows she should let go of her fascination with Drew, but fighting fate isn't easy, and she's determined to unravel the mysteries of the past.
