This map includes the following:

Manhattan Central Park Map with sites and street index.

Central Park is at the very heart of New York, both geographically and emotionally. Like the Statue of Liberty, it is one of the great symbols of New York City. And as one of the world's great urban parks, Central Park combines great natural beauty within the concrete jungle of Manhattan. There are areas of quiet solitude such as the Shakespeare Garden, as well as open areas like the Sheep Meadow that fill to capacity and pulse with energy during concert and events.

The STREETWISE Central Park Map depicts all roads and all the walking, running, and horse trails throughout the Park. Major sites and points of interest within the park are also identified. Museums located in or alongside the park like the Metropolitan, Frick and Guggenheim are also shown on the map. The map conveniently folds into thirds so it's only a bit bigger than a credit card, perfect for slipping into your pocket if you're out for a run. Lamination ensures that even the most vigorous workout or the rainiest of weather won't leave you stranded. Whether you are walking, jogging, or simply hanging out, this durable and detailed Central Park map is an invaluable resource which will make you a master of Central Park.

The STREETWISE Manhattan Central Park Map is one of hundreds of detailed and easy-to-read maps designed and published by STREETWISE.
