An unexpected letter arrives in the mail, tying the present to the past, and promising a long-awaited reunion.

..

Mia Levy is content with the simple existence she leads on a farm. But her days weren't always spent so quietly. Over thirty years ago, Mia lived in Poland, where she had all she could want--her home, family, and first love, music--until history took its course, changing the world and the life she knew forever. Mia's struggle to survive would take her from the poverty-stricken streets of Poland to New York City, where she encountered a love that would span decades, to Paris where she would place herself in the gravest of dangers to uncover the mysterious fate that befell her family. . .

Inspired by the author's own experiences as an American soldier, this remarkable novel is a story of loss, love, betrayal, and the amazing power of hope. With its inventive storytelling skill and unforgettable voice, *The Memories We Keep* is a debut novel that will arrest your imagination until the very last page is turned. .
