The Process of Research in Psychology Dawn M. McBride

Using diverse examples from published research, the **Third Edition** of **The Process of Research in Psychology** by Dawn M. McBride provides step-by-step coverage on how to design, conduct, and present a research study. Early chapters introduce important concepts for developing research ideas while subsequent "nuts and bolts" chapters provide more detailed coverage of topics and examine the types of research relevant to the field. This logical two-part structure creates an excellent foundation upon which students can build their knowledge of the entire research process.
