No Goodbyes: The Mysterious Disappearance of the McStay Family Rick Baker

On February 4, 2010, the McStay family of four mysteriously vanished from their Southern California home. In November of 2013, the remains of the family of four were found in the high desert of Southern California. As a result of the findings, Rick Baker offered a refund to any reader who had purchased his book prior to November, 2013.

As a direct result of Baker's book, the extended McStay family, mainly Mike and Patrick McStay, along with other Internet defamers, launched a smear campaign against the author and his family in the spring of 2014, publishing blogs such as "Stop Rick Baker" and "McStay Family Justice," carefully crafted to smear Baker with half-truths and outright fabrications. Their attacks against Baker and his family intensified after Baker closed his NO GOODBYES blog (rickgbaker.blogspot.com) in August of 2015. Baker is no longer officially involved in the McStay case but continues to monitor Internet activity and has served notice that he will respond swiftly to any continued defamation or libel.
