Has your child been given a heart-wrenching diagnosis such as bipolar disorder, Down syndrome, autism, Asperger syndrome, ADHD, or reactive attachment disorder? Was your child born with physical or intellectual disabilities? Then you're not just the mother of a special-needs child, you're a special-needs mom!

If your child struggles with physical, emotional, mental, or behavioral difficulties and you find yourself disillusioned and disheartened, this study is for you. Written by a mom who is also walking this journey, "Unlocking the Treasure" offers hope and encouragement in the midst of daily battles and extraordinary challenges.

As the pages of Scripture are opened, you will uncover the treasure of a heavenly Father who deeply loves His children. This journey will bring you into the heart of Scripture where you will discover God's lavish love and gentle compassion. You will learn what it means to trust God with yourself and your child. You will discover the God of hope and uncover the promises of peace and contentment. Finally, you will bring to light the hope of an abundant and joy-filled life, even on this side of heaven!

Moms of children with special needs often feel alone, wondering if anyone understands their heart. As you complete this study, walls of isolation will crumble as you meet other women who share similar struggles. "Unlocking the Treasure" includes real-life stories from several moms who are also on this journey called "special needs"...a journey not of their choosing, but one uniquely designed for them by the Creator of all life.
