After a shocking discovery lands Megan in the role she thought she always wanted, her determination to plot every step of her life is put to the test.

There was only one thing missing from his life...

Patrick Rourke has it all. His career on the police force is on an upward trajectory, he's just inherited a huge house, and his Irish good looks turn heads everywhere he goes. It's too bad that he just can't seem to find what he's really looking for. Patrick needs a wife so that he can fill that old house with the pitter patter of little feet. Girls these days just don't seem interested in having the kind of big family that he was raised to love. When fate brings the smart, beautiful, and desperate Megan Carter to his doorstep, he's not about to let anything stand in the way of his dreams.
