**Law and Professional Issues in Midwifery (Transforming Midwifery Practice Series)** Richard Griffith, Cassam Tengnah, Chantal Patel

Midwives are accountable to the public, patients, their employers and the profession. It is essential that student midwives have a clear understanding of the legal and professional dilemmas they face in the course of their career and how to address those dilemmas in order to practise effectively. This book is an essential resource for student midwives developing their knowledge and understanding of the requirements for safe practice. It provides a clear introduction to the subject, with activities and case studies throughout to illustrate key principles and apply the law in context.
