Miami Jones Florida Mystery Series Box Set - Books 1-4: Toes in the Sand Collection A.J. Stewart

The first four novels in the series reviews are calling "A five star romp by one of the best mystery writers around."

This omnibus edition contains the first FOUR books in the Miami Jones series, with over 1200 pages of fun, mystery and good dose of Florida sun

Meet MIAMI JONES.

Former ballplayer, private investigator and lover of palm tree print shirts.

Join Miami and his band of friends and associates as their quiet drinks under the palapa at their local bar are interrupted by cases that only *the* Miami Jones can solve.

Stiff Arm Steal

The prize possession of former football hero, part-time media personality and full-time blowhard BJ Baker has been stolen from his palatial Palm Beach home. Baker has called in the Mayor, the police, the sheriff and everyone else he can co-opt into the search. But if he really wants the person who can find it, one name keeps coming up. Miami Jones. Problem is, he can't stand Jones. And the feeling is mutual.

Miami takes on a jealous husband, a feisty ex-con and a police detective desperate to claim everyone else's 15 minutes of fame, and he finds that Florida is home to so many retired athletes he could start a pensioner football league. But can Miami hunt down the culprit before they graduate from theft to something far more deadly?

Offside Trap

A university president with delusions of grandeur. A property developer with mob ties. A crooked politician fast-tracking projects for cash. Just another day in South Florida.

When Miami Jones is hired by an old college friend to investigate the drug overdose of a star student-athlete, he is thrust into the dark intersection of academia, politics and the Miami drug world, where he finds himself fighting to not just solve the crime, but to save those he loves most.

High Lie

Miami Jones knows that South Florida has its fair share of sharks, and not all of them live in the ocean. When a young boy is dumped in the water off the coast, Miami goes looking for answers. What he finds is a world of crooked bookmakers, slick Las Vegas Casino moguls and a desperate band of brothers playing a forgotten sport. Forgotten by everyone except the person who wants the players dead.

Miami takes Florida sliding down a sinkhole rather personally, so now he'll stop at nothing to prevent the circling sharks from consuming his beloved home.

Dead Fast

To most people Jamaica is sun, sea and rum drinks by the pool. But Miami Jones and Danielle Castle don't vacation like most people. After witnessing an assault on a young man in Montego Bay, Miami and Danielle are hired to protect a young athlete with Olympic dreams.

But there are lots of athletes with those dreams, and not all of them play by the rules. Miami and Danielle find themselves up against corrupt officials, athlete managers with a kit-bag full of dirty tricks, and a local police force that might be in it up to their necks. In a paradise where running fast is the national pastime, Miami and Danielle must go at full throttle to protect their client and help him hit the finish line alive.
