It is a ););)

magnitude that is equal only to itself.

— From New New Testament: Book 1

New New Testament documents Paul Chan's monumental project *Volumes*, a series of over one thousand paintings made out of dismantled book covers and the texts that complement each painting. A selection of *Volumes* premiered at Documenta 13 in Kassel, Germany in 2012, but *New New Testament* is the first time all the paintings have been united in a single publication. Each painting evokes how books and works of art—both considered objects of knowledge in the past—now exist in our digitally interconnected world chiefly as objects of search. The texts that accompany each painting are composed with bewildering combinations of phrases and lexical marks that reflect how historical distinctions between art, media, and celebrity culture are rapidly dissolving. Part *King James Bible*, *Wittgenstein*, and *TMZ*, each text embodies the spirit of this emerging dissolution. With an essay by art critic and historian Sven Lütticken.

*New New Testament* was published on the occasion of the exhibition *Paul Chan: Selected Works*, on view from April 11 to October 19, 2014 at Schaulager in Basel, Switzerland.

Due to the length and unique nature of *New New Testament*, the e-book edition divided into 8 individual publications. A limited hardcover edition comprised of all 8 books is also available.
