Mason Leery is a bookworm and he thinks he might just be able to get through life simply by reading about it instead of living it.

Until he meets Shane Beaumont. Shane is the opposite of Mason in every way, he's beautiful, athletic, and lives his life to the fullest.

Sparks fly when the polar opposites come together, but it will be up to the bookworm to shut down his e-reader and go after the beauty if he wants to love someone outside the pages of a book.
