Fugitives; The Story of Clyde Barrow & Bonnie Parker

Originally published in 1934 and rushed to press only three months after Clyde Barrow and Bonnie Parker met their bloody end, *Fugitives: The Story of Clyde Barrow and Bonnie Parker*, offers a behind the scenes glimpse into the lives of two of America's most infamous criminals. The story is told by their family members who often met them in secret locations and dreaded the news of their deaths daily. While some researchers question many of the facts in the original book, it does contain letters, diary entries and more that will help the reader draw their own conclusions about this deadly duo.
