Intermediate Financial Management, 8th Edition Eugene F. Brigham, Phillip R. Daves

Comprehensive text with enough background material to refresh and reinforce earlier courses in corporate finance and enough advanced material to stimulate the most advanced learner. The predominant strengths of clarity, current coverage, and friendliness to learner and instructors continues in this new edition. Some of the areas where coverage has been expanded include corporate governance and reform, valuation, value based management, cash flow, and newly updated material on real options. The instructor's resources enable outstanding presentations and learning.
