Cole Cantrell has no premonition that his life is about to change forever when he saves the life of a beautiful stranger. Still haunted by his wife's death, he fights his growing attraction to the mysterious Stephanie, afraid that she belongs to another man. Stephanie has no memory of who she is or how she came to be in the middle of Wyoming Territory among strangers. Her only clues to the past are frightening dreams, a gold wedding band, and a confusing note that poses more questions than it answers. The only certainty is her love for Cole Cantrell. Will it be enough when they learn the truth about her past, or will their happiness prove to be as insubstantial as Shadows in the Wind?
