Trista Russell, author of *Going Broke* and *Dead Broke*, turns up the heat in this erotic urban tale featuring a powerful attraction between a fugitive and the woman he is holding captive.

In this sizzling adventure from Trista Russell, danger, sex, and drama combine in an unforgettable story—for fans of such bestselling authors as Noire and Vicky Stringer.

When Audra Lopez is sitting in her weekly after-work hangout watching the news, she never imagines that she would actually run into the man the reporters are calling the "Turnpike Cop Killer." But once Audra returns to her home, she finds Dean Casey is waiting there for her, with a gun in hand. Dean never expected to be in this situation. He considers himself a good, hardworking, and loving father. But from the moment he found out that his young daughter has been molested, he can't seem to think straight and has made some very poor decisions. Now he's on the run from the cops, holding Audra hostage, and still trying to find a way to save his daughter before things take a turn for the worse. And the undeniably strong attraction between Dean and Audra takes them on a journey they never could have expected.
