Victoria Thompson was a thirty-five year old businessperson of “Thompson Advertising Agency.” Her business was soaring until she landed the Healthy Pets accounts. She hired a new employee, Marcus Mackenzie (who she later found out was married) to lend a hand from a suggestion made by her best friends- and to each other significant-Ronald and Marty. Not long after, an affair began. Even after she learned Marcus was married, Victoria found it hard to let go of that tall, dark, and handsome, male phenomenon. No man had ever touched her G, H, or I spot the way he had. He had cast his spell and she was more than willing to fall under his curse.

My name is Victoria Thompson and this is my chronicle.

However, sleeping with a married man was the least of my worries. Someone was stalking me and wanted me dead. Could it be his wife, an ex-lover, a disgruntled employee, or a family member? Having an affair with a married man can be deadly.
