New Venture Creation: A Framework for Entrepreneurial Start-Ups Paul Burns

'Bound to become the go-to-guide when it comes to new venture creation. For students and practitioners alike, this is a must read.'

Philip Kappen, Copenhagen Business School

'Paul Burns has a distinguished track record in producing well-informed, practical and engaging texts on new ventures. His success stems from an ability to capture the true essence of entrepreneurship.'

David Storey, University of Sussex

'This book provides a detailed, in-depth overview of the new venture creation process through an approach which encompasses both practical and theoretical issues. The range and depth of discussion on the challenges of starting up is bound to ensure that this book becomes a core text for new venture creation modules.'

Richard Tunstall, University of Leeds

This book dispels the myth that entrepreneurship cannot be taught, by breaking down the business start-up process into a seven-stage New Venture Creation Framework. Step-by-step, chapter-by-chapter, it guides you through the whole process of planning for a new venture - from generating an idea, through developing the business model, and raising finance. It combines practical advice from entrepreneurs with academic research and theory.

Features include:

- Quotes from entrepreneurs – provide both inspiration and practical tips on how to create a new venture.
- Case insights – over 70 cases from around the globe illustrate how a range of organizations have tackled issues in the real world.
- Academic insights – these provide coverage of recent research and theoretical underpinning in a digestible form.
- The New Venture Framework Exercises featured at the end of each chapter progressively build a comprehensive business plan.

New Venture Creation is both inspirational and practical, and will equip budding entrepreneurs with all the tools they need to undertake a successful new venture.
