This is the script version of the audiobook, “Witchcraft Spells: White Witch Magic Spells for Love, Lust, Libido, Sex Drive and Attraction.”

White magic is a powerful way to attract desirable circumstances, something witches have known for centuries. The white magic spells in this book are meant for the beginner witch that would like to increase love, lust, libido, sex drive and attraction in her life.

These spells will help you:

- Attract romantic love
- Increase your attractiveness
- Intensify your sex drive
- Boost your libido

These spells also include:

- Step-by- step instructions on how to conduct each spell
- The best Moon phases to perform certain spells
- Which herbs and tools to use during every spell

Every spell targets a specific goal, which means you can skip right to the spell you need based on the title narrated at the beginning of each chapter in the audiobook version (in the script version, you can navigate the spells via the table of contents). Use these white magic spells to find meaningful love, ramp up the activity in the bedroom and to make yourself more physically attractive to others.
