Ice Breakers: Games and Stunts for Large and Small Groups Edna Geister

This collection of games and stunts has been prepared for the express purpose of meeting the many requests of the day for successful recreation programs for large and small groups of men and girls, in which round dancing has no part. There is also a chapter of games especially adapted to groups of girls. The material is not original: it is rather in the nature of a compilation gathered during several years of experimental recreation. Wherever possible due acknowledgment has been made, but in most cases the source is unknown.
