A Cross In Time Richard W Black

Bruce and Joel travel back into history; their goal is to watch the death of Jesus of Nazareth and pinpoint the exact location of his tomb. Then they will return to their own time and expose the myth of Jesus Christ. But their plan immediately goes sideways when they are befriended by a Roman tribune who is to serve as Pilate aide. When he suddenly dies of heart failure, Bruce takes his place and the two men suddenly change from those watching history to two participants in the creation of the greatest martyr in history.
