Enjoy 16,000+ words of African American hood romance!

For the Love of a Thug

College graduate and ex-sorority girl Renee has got her whole life worked out-she's moved in to her cool new apartment, and she's already scouting for awesome jobs around the city. After a series of failed relationships and a wild phase in college, she's sworn off men for the foreseeable future. Right now, she's got more important things to worry about than getting laid.

But when a night out with her college girlfriends brings her into contact with Randy, her world is turned upside down. He's tall, dark, handsome- and a drug kingpin, one of the biggest dealers in the city. And it looks like he's interested in Renee. And while she's not usually one for bad boys, there's a softer side to him that she just can't resist. As they begin a tentative relationship, the two of them must figure out how they can fit their very different lives together-with unexpected results...

Taken by a Thug

Taken by a Thug tells the story of Aubrey, a young and successful black woman who is pursuing her Master's degree. For the practical leg of her graduate coursework, she begins to work in the field with kids from a disadvantaged neighborhood. It is then that she meets Antoine, a notorious black man from the neighborhood who has a reputation of being feared for many reasons. But when she ends up talking to him at length about Mikaela, one of the kids she's trying to help, she surprisingly learns his intimidating demeanor is a major contrast to his intelligence, kindness and charisma. It is when he offers to help her get through to Mikaela that the two end up bonding and eventually falling in love.
