Cricket McRae

Lye in Wait (A Home Crafting Mystery) Cricket McRae

Cocoa butter soap, check. Lemon lip balm, check. A dead body?

That's just what Sophie Mae Reynolds finds in her workroom: the corpse of Walter Hanover, the neighborhood handyman. He died from drinking lye, something she has in good supply. But the police don't suspect Sophie Mae, a thirty-something widow who makes and sells beauty products. Instead they call it a suicide. But why would a man with lottery cash and a loving fiancée kill himself?

No one can stop the impulsive Sophie Mae from answering this riddle, not her sensible best friend Meghan or Detective Ambrose, who incites annoyance as well as stomach flutters. Sophie Mae's nose leads her to a peppermint-scented trail of arson, bigamy, and a shocking family secret.
