*If you're a Kangaroo*

*through and through,*

*Just do what Kangaroos do.*

Young Sue really doesn't like being a kangaroo, so she goes off to find something better. First she tries climbing the trees like a koala, but that doesn't work. Then she wades into the sea like a platypus, but that's no good either. Finally, Sue joins up with some bouncy, jouncy wallabies...and discovers that being a kangaroo isn't so bad, after all.

Using a jaunty waltz rhythm, actor, comedian, and best-selling author John Lithgow reassures children that they can be happy with who they are.

For listening or singing along, a CD of a John Lithgow performance of *Marsupial Sue* and an instrumental version is included with this book, as is the score of the song.
